Kwey/Aanii: Members of Greater Golden Lake

I want to take this time to touch base with you and I hope you are doing well and staying healthy in this trying time of COVID 19. Until we are allowed to have large gatherings we cannot hold Elders/Community Meetings.

We will not be able to get together for the Moose Draw, therefore I will hold the draw on August 16th using members of our Council as Scrutineers. The dead line for sending in harvest applications will be July 31th. We will hold the draw the same way as last season using the bingo machine.

We will post the results on our website within a few days, and mail out the tags after that.

Please note there will be the following options for getting your applications to us. You can email them to Paul at paulthewall@nrtco.net or myself at cpmielke@bell.net or mail them to me at 1692 Black Bay Road Petawawa, ON K8H 2W8 or drop them off at my home/office at the same address as above. There is a mail box outside my front door that you can put your applications in, this way everyone will be safe and the process can be contactless. There will not be a way to fax it to me, so please scan and email it in instead to the above email addresses.

Miigwetch/Thank You
