

Algonquins of Ontario Elk Harvest Questionnaire Fall 2020

NAME:	TAG #:
COMMUNITY:	

Information gathered through this voluntary questionnaire is for the purpose of developing a more effective tool for the Algonquins of Ontario (AOO) in the development, management and assessment of the Algonquin Harvest. Any questions about the collection of this information should be referred to the AOO Consultation Office at algonquins@tanakiwin.com or your local Algonquin Negotiation Representative.

1. Did you participate in the fall 2020 elk harvest? Yes No

*If no, why did you not participate? **You are finished with the questionnaire.***

Illness Work No place to harvest Difficulty planning Other

2. Where did you harvest? Private Land Crown Land Both

3. Did you attach your tag to an elk? (no matter who shot the elk) Yes (fill in the table) No

Date Harvested	Wildlife Management Unit (WMU)	Harvest Area (HA1 – HA8)	Harvest Location (road, km, GPS)	Type of Elk (Bull or Cow)

4. If male, how many antler points per side? Left antler: _____ Right antler: _____

The image above depicts the antlers of a 3x3 bull elk.

5. Was the harvested elk wearing an ear tag or collar? Yes No

If yes, please record the ear tag and/or collar number and return the collar to the AOO Consultation Office.

Ear Tag Number: _____

Collar Number: _____

If you have harvested an animal wearing an ear-tag or collar, this animal was chemically immobilized in the past using veterinary drugs. Health Canada has established recommended guidelines for consumption. Please contact the AOO Consultation Office at algonquins@tanakiwin.com or your local Algonquin Negotiation Representative to report your harvest. The AOO will follow up with MNRF to obtain information on the length of time when the animal was chemically immobilized and advise the harvester accordingly.

6. Please complete the following table relating to your activities while harvesting elk:

Harvesting Days	September	October	November	December
# of harvest days and dates				
# of harvesters in field				
# of elk seen while harvesting (please include WMU)				
# of collared elk seen while harvesting please include WMU)
