Kwey Anii Boozoo: Members of Greater Golden Lake

We hope the spring and upcoming summer is treating you all well. You and your family are cordially invited to attend a Community Gathering at our new office location at 2 International Drive, Pembroke, across from the Best Western Hotel.

We will have food, drinks, dessert, and a cultural teaching by Aimee Bailly of the Circle of Turtle Lodge, we may have some drumming as well. Come out and enjoy the day with us. This is also our Grand Opening of our office so there will be an open house. Please bring a lawn chair and a sun umbrella if you have one, we will have some pop-up tents as well. Please read the attached flyer for more information about this event.

We also have a letter from Lynn Clouthier regarding the Lagarde-Carriere line, if you are a descendant from these lines this is important to you, please read it.

We are mailing out our harvest mail out with this letter. Please take the time to read it, there are some changes this year. We are expanding WMU 51 again this year and opening harvesting in the "Panhandle" in WMU 54 as well. New monitor gates have been implemented, located at Louisa Lake Road – Rock Lake Road Gate, the Hay Creek Road – Hydro-line South Road, and the Kingscote Lake Road Gate. Please refer to the maps on our website for the most current maps. The start date this year for moose inside the park is Saturday October 8<sup>th</sup> instead of our traditional Tuesday after Thanksgiving.

I hope to see you there.

Miigwetch/Thank You
